

In association with School of Computer Science Engineering and Information Systems
(SCORE)

Venue : HOMI BHABHA GALLERY (SJT 4TH FLOOR)

Cordially invites you to

5 Days FDP

Faculty Coordinators : Dr. Krithika L.B , Dr. Prabadevi B

IoT and EdgeAI: Bringing Intelligence Closer to Devices

Resource Persons :

Mr S KARTHIKEYAN, IobiT Solutions, Bangalore.

Mr Kannan M, IobiT Solutions, Bangalore.

11-15 Sep 2023
(Monday - Friday) @
10:00AM -05:00PM

Discussion Points :

- ✓ Unleashing the Power of IoT From Concept to Creation -HandsOn : IR , PIR, Ultrasonic Sensor, DHT11 sensor Interface
- ✓ Application Development using Analog & Digital sensors HandsOn:Analog Sensor Interfacing applications
- ✓ Real time data monitoring application development Hands-On : Open source IoT cloud and end device
- ✓ Introduction to Bluetooth Low Energy Protocol(4.1EDR) (IoT BLE beacons) Hands-On : Bluetooth Low Energy 4.1 (Battery Operated Applications)
- ✓ EDGE AI (AIoT) (USE CASE - FITNESS BAND DEVELOPMENT) DEMO : Testing the ALgorithm in NRF52480 real time hardware
