The Staff Development Programme on Behavioral Skills, Work Ethics, and Communication for Security Officials is designed to enhance professionalism, integrity, and effective interpersonal interactions in security roles. This program focuses on improving situational awareness, ethical decision-making, and clear communication to ensure safety and efficiency. Through interactive sessions, role-playing, and case studies, security personnel will develop critical thinking, conflict resolution, and teamwork skills. Emphasizing discipline, responsibility, and ethical conduct, the training equips security officials to handle challenging situations with confidence and professionalism. Ultimately, this initiative fosters a secure, respectful, and well-coordinated work environment, enhancing overall organizational security standards.
