Resource Person 1 - Details

Name : Padmanabhan K

Designation : Professor Higher Academic Grade, School of Mechanical Engineering

University/ Company : VIT, Vellore

Address : India, 632014.

Resource Person's Profile :

1. Profile of Padmanabhan K

Dr. Padmanabhan Krishnan is Professor, Higher Academic Grade at SMEC and the Previous Director in Charge of the ASC, VIT, Vellore. He earned his PhD Engg Degree from the Department of Materials Engineering, IISc, Bangalore, in the Year 1995. A life Fellow of 5 organizations, he has more than 150 publications and many awards to his credit,

In ancient India there were only four major languages, Thamizh, Samskrutham, Prakrutham and Pali. Thamizh is said to be the oldest of them all. This FDP aims to cover the prehistory, history, traditional works, alphabets, vocabulary, short phrases, names of things around us and short conversations in spoken thamizh. At the end of the FDP the registrant would be able to speak basic sentences and take part in conversations related to survival.

The ppt prepared by the resource person will serve the needs for practise. It will be shared with the participants.
