In association with School of Advanced Sciences (SAS)

Cordially invites you to

Kamaraj Auditorium, TT 7th Floor

Faculty Coordinators : Dr. Anuradha D, Dr. Kavitha K

Tips and Tricks for Efficient MIP Formulation and Linearizations

Resource Person :

Mr Abhik Giri,
Principal Operations Research Scientist,
Western Digital (SanDisk),
Bangalore.

Discussion Points :

- ✓ MIP formulation and Linearizations
- ✓ Methods used in solving MIP
- ✓ A practical guidelines for efficient MIP Techniques
- ✓ Introduction to configurable parameters in commercial solvers
- ✓ Troubleshooting explainability and infeasibility issues

**17 February - 2023
(Friday) @ 02:00PM-05:00PM**
