- Research scholars will be motivated to write the Thesis and Synopsis without errors

Resource Person 1 - Details

Name : Peri Kameswara Kameswaran

Designation : Associate Professor Grade 2, School of Advanced Sciences

University/ Company : VIT, Vellore

Address : India, 632014.

Resource Person's Profile :

1. Profile of Peri Kameswara Kameswaran

Dr. Peri K. Kameswaran is working as an Associate Professor in the Department of Mathematics, School of Advanced Sciences, and he is the Assistant Director for Teaching Learning Center of Excellence. His research area is Applied Mathematics and Mathematical modeling of fluid flow problems, Heat and Mass transfer.

This talk highlights the most common mistakes made by the PhD students while writing the thesis. It starts from lack of clear research focus, poor thesis structure and organization, literature review problems, methodology confusion, language and academic style issues, poor integration of results and discussion, inconsistent referencing and formatting. At the end of the session, the participants are expected to gain the knowledge on writing the thesis without formatting the errors
