	<p>Resource Person 1 - Details</p> <p>Name : Jose S</p> <p>Designation : Professor Grade 2, School of Mechanical Engineering</p> <p>University/ Company : VIT, Vellore</p> <p>Address : India, 632014.</p>		
	<p>Resource Person 2 - Details</p> <p>Name : Vincent Herald Wilson</p> <p>Designation : Professor Grade 1, School of Mechanical Engineering</p> <p>University/ Company : VIT, Vellore</p> <p>Address : India, 632014.</p>		
<p>Resource Person's Profile :</p> <p>1. Profile of Jose S</p> <p>Dr. Jose has PhD in Industrial Engineering. He has more than 50 publications in reputed journals and conferences. He has 12 patents to his credit. He has been involved in collaboration with foreign Universities and has conducted two International Summer school with students from Netherlands, Germany, Poland and France. He has been a convener for the Industry Academy Conclave bringing Industries for MOU and Internships.</p> <p>2. Profile of Vincent Herald Wilson</p> <p>Dr. Vincent Herald Wilson has a PhD from NIT Trichy in IC Engines. He has more than 40 publications in reputed journals and conferences. He has 12 patents. He has more than 38 years of teaching, administration and research experience and a start-up. He has conducted two international summer schools. Handled more than 4 times the course on Principles of Management with real time examples and case studies.</p> <p>This Faculty Development Program aims to equip professors with the knowledge, skills, and best practices to effectively teach the Principles of Management course. Through a combination of interactive sessions, case studies, and real-time examples, participants will gain a deeper understanding of management principles and learn how to engage students in meaningful discussions. The program will cover topics such as planning, organizing, leading, and controlling, and provide opportunities for faculty to share experiences, best practices, and innovative teaching methods. By the end of the program, participants will be confident in their ability to design and deliver engaging lectures, facilitate case study discussions, and assess student learning outcomes, ultimately enhancing the quality of management education.</p> <p>Case Study Platforms, Simulation Tools</p>			

Coordinator's: Prof. VINCENT HERALD WILSON 16380 - Professor Grade 1 - SMEC
Prof. JOSE S 15850 - Professor Grade 2 - SMEC
