

	Faculty Development Program		
Title : Super Alloys for Aeroengine Applications Date : 2025-03-10 - 2025-03-10 Time : 10:00 - 11:30 Venue : TT707		<u>Event Outcome</u> - Will be able to get an overview of various alloys	
	Resource Person 1 - Details Name : Arivarasu M Designation : Professor Grade 1, Centre for Innovative Manufacturing Research University/ Company : VIT, Vellore Address : India, 632014.		
Resource Person's Profile :			
<u>1. Profile of Arivarasu M</u> Has 22 years of experience in Materials selection, Testing. Has executed Various consultancy and funded projects on materials.			
The talk will focus on the superalloy materials for Aeroengine Applications, environmental degradation and its protection
