

Faculty Development Program

VIT[®]
Vellore Institute of Technology
(Deemed to be University under section 3 of UGC Act, 1956)

Event Outcome

Title : Research Beyond Publications: Projects, Consultancies, and Start-up Grants

Date : 2025-03-17 - 2025-03-21

Time : 10:00 - 17:30

Venue : SJT620A

- After the completion of this FDP, faculty members will be equipped with the knowledge and skills to transform their research into tangible outcomes such as patents, funded projects, and industry collaborations.
- The faculty members will be able to explore start-up opportunities and translate research findings into marketable products and services.
- The faculties will be having insights into securing national and international grants for research projects, encouraging self-sustaining research ecosystems.
- Faculty members will be equipped to engage with industries for consultancies and collaborative projects, enhancing the relevance of academic research.
- Researchers will be guided about the importance of patents, copyrights, and technology transfers in safeguarding and commercializing innovations.

	<p>Resource Person 1 - Details Name : Prof Senthil R Designation : Professor, Mechanical Engineering University/ Company : SRM Institute of Science and Technology, Chennai Address : India, 603203.</p>
	<p>Resource Person 2 - Details Name : Kishor Lakshmi Narayanan Designation : Associate Professor Grade 1, School of Healthcare Science and Engineering University/ Company : VIT, Vellore Address : India, 632014.</p>
	<p>Resource Person 3 - Details Name : Prof Kanthababu M Designation : Professor, Manufacturing Engineering University/ Company : Anna University, Chennai Address : India, 600025.</p>
	<p>Resource Person 4 - Details Name : Mohankumar K V Designation : Assistant Professor Sr. Grade 2, School of Mechanical Engineering University/ Company : VIT, Vellore Address : India, 632014.</p>
	<p>Resource Person 5 - Details Name : Prof V Balasubramanian Designation : Professor, Manufacturing Engineering University/ Company : Annamalai University, Chidambaram Address : India, 608002.</p>
	<p>Resource Person 6 - Details Name : Dr Swaminathan K Designation : Founder and CEO, Electronics and Communication Engineering University/ Company : Silicic Innova Technologies Pvt Ltd, Chennai Address : India, 600040.</p>
	<p>Resource Person 7 - Details Name : Prof V Vetrivel Designation : Professor, Mathematics University/ Company : Indian Institute Of Technology Madras, Chennai Address : India, 600036.</p>
	<p>Resource Person 8 - Details Name : Dr R Vijayaraghavan Designation : Researcher, National Lead Centre for Research in Schemes and Policies CRISP University/ Company : Grass root level institutes and strengthening GIST, Chennai Address : India, 600001.</p>

**Resource Person 9 - Details****Name :** Lipin Dev**Designation :** Co Founder, NA**University/ Company :** VT Ecogreen Technologies Pvt Ltd, Coimbatore**Address :** India, 641014.**Resource Person 10 - Details****Name :** Vishal Vijay Nair**Designation :** Entrepreneurship Educator, Wadhvani Foundation**University/ Company :** NA, Palakkad**Address :** India, 678001.**Resource Person's Profile :****1. Profile of Prof Senthil R**

It will be provided shortly.

2. Profile of Kishor Lakshmi Narayanan

It will be provided shortly.

3. Profile of Prof Kanthababu M

It will be provided shortly

4. Profile of Mohankumar K V

It will be provided shortly.

5. Profile of Prof V Balasubramanian

It will be provided shortly

6. Profile of Dr Swaminathan K

Entrepreneurship minded professional, innovator, experienced team builder and dauntless in the face of challenges. Vast experience in FPGA or ASIC design and verification working in leading industries and research institutes

7. Profile of Prof V Vetrivel

It will be provided shortly.

8. Profile of Dr R Vijayaraghavan

R. Vijayaraghavan is a dedicated and accomplished researcher with a diverse background in monitoring and evaluation. He is currently working as State Lead - Tamil Nadu at the Centre for Research in Schemes and Policies (CRISP). He is pivotal in supporting state teams conducting research related to CRISP initiatives. In his previous role as the Lead in Monitoring and Evaluations at Samunnati Financial Intermediation and Services Private Limited, Dr. Vijayaraghavan established a Monitoring an

9. Profile of Lipin Dev

It will be provided shortly

10. Profile of Vishal Vijay Nair

It will be provided shortly.

In today's academic and industrial landscape, research is not limited to journal publications alone. While publishing research findings is essential for knowledge dissemination, the real impact of research is realized through its practical applications, commercialization, and contributions to societal and economic development. This Faculty Development Program (FDP) is designed to bridge the gap between traditional academic research and its broader impact through projects, patents, consultancies, and start-up grants.
