	Resource Person 1 - Details Name : Mr Sudeer Designation : nil, nil University/ Company : BIS, Tamilnadu Address : India, 6320014.	
Resource Person's Profile :		
<u>1. Profile of Mr Sudeer</u> Mr. Sudeer has 25 years of industry experience, specializing in business development, strategic planning, and client relationship management. Since 2000, he has been with BSB Edge and currently serves as the Senior Manager for Business Development at the Bangalore regional office. He holds an MBA from Calicut University, Kerala, and an MCA from IGNOU, complementing his expertise in driving business growth.		
E-Resources Library Access through BIS and BSI Standards aims to enhance faculty proficiency in utilizing standardized digital resources. BIS (Bureau of Indian Standards) and BSI (British Standards Institution) guidelines ensure structured access, authentication, and interoperability of e-resources, promoting seamless academic and research engagement. This FDP focuses on best practices for digital library management, metadata handling, and compliance with global standards. By equipping faculty with essential skills, the program fosters efficient resource utilization, knowledge dissemination, and academic excellence, strengthening institutional research capabilities and digital literacy in higher education.
