Designation : Superintendent of Police, Police Department
University/ Company : Police Department Tamil Nadu , Ranipet
Address : India, 632401.

Resource Person's Profile :

1. Profile of Thiru Vivekananda Shukla

Thiru Vivekananda Shukla is an IPS officer and currently serving as Superintendent of Police, Ranipet District, Tamil Nadu.

Digital technology connects us more than ever and made the entire globe as a small village, but at the same time introduces new set of high end risks. It is evident that cyber threats like hacking, phishing and online scams are leading to both mental pressure, emotional harm such as harassment, cyberbullying and financial losses. The session will covers the ways to protect ourselves from malwares and digital viruses, to overcome data breaches and social media and professional risks at workplace. This will help us to shield from oversharing, fake profiles etc. Awareness of this program by Thiru. Vivekananda Shukla, IPS, Superintendent of Police (SP) Ranipet district will help us to overcome the present day to day digital dangers in a more well established connected world.
