Venue : KAMARAJ AUDITORIUM

Event Outcome

- Participants will gain enhanced awareness of
cybersecurity practices

Resource Person 1 - Details

Name : Gopi K

Designation : Deputy Manager, Center for Technical Support

University/ Company : VIT, Vellore

Address : India, 632014.

Resource Person 2 - Details

Name : Paul Sunder Singh K

Designation : Deputy Manager, Center for Technical Support

University/ Company : VIT, Vellore

Address : India, 632014.

Resource Person's Profile :

1. Profile of Gopi K

A results-driven IT professional with over 21 years of experience in IT infrastructure management. Skilled in planning, implementing, and securing scalable data centers, virtualization (VMware, Nutanix), and cloud (AWS). Expertise includes servers, storage, backup, disaster recovery, IT security, vendor management, and leading technical teams to deliver high-availability systems.

2. Profile of Paul Sunder Singh K

Mr. Paul Sunder Singh, Deputy Manager Network and Security at VIT University's CTS, has over 28 years of expertise, including 7 years in industry and 21 years at VIT. He oversees wired and wireless networks, ISP links, network security, surveillance, and facial biometric systems, ensuring secure and reliable IT infrastructure for the campus.

The Technology Awareness Program: Enhancing Cybersecurity and Digital Productivity aims to strengthen security awareness among faculty and staff while promoting effective use of digital tools. The session will focus on key topics such as email security (2FA, password practices, spoofing awareness), the use of K7 Antivirus and safe online practices to prevent malware and phishing, and efficient data management using both local storage and cloud solutions like OneDrive. By the end of the program, participants will be better equipped to mitigate security risks and adopt digital tools for secure and productive collaboration at VIT.

Gmail Security, Gmail Productivity, Antivirus, OneDrive, Local System Practices.

Coordinator's: Prof. ANTHONIRAJ A 10941 - Professor Grade 2 - SCOPE
